We empower people

The Tshwane University of Technology (TUT) is a proud product of South Africa's first decade of democracy. While the size and scope of this dynamic new institution impresses, the quality of its teaching, research and community engagement is what makes the university really stand out.

Its geographic footprint covers four of South Africa's nine provinces – Gauteng, Mpumalanga, Limpopo and the North-West – with campuses located in Tshwane, Nelspruit, eMalahleni and Polokwane. Large numbers of students are also drawn from other provinces, as well as from neighbouring countries such as Botswana, Zimbabwe, Namibia and Swaziland.

Career-focused

TUT is truly an institution in service of the Southern African community. One of its key focuses is, therefore, the economic and social development of the Southern African region. In its quest to promote knowledge and technology, it provides the market with a career-focused workforce. It also aims at making a significant contribution to creating sustainable economic growth that will impact on the standard of living of all of the region's people.

Faculties

Academically, TUT is divided into seven faculties:

- Arts • Economics and Finance • Engineering and the Built Environment • Humanities
- Information and Communication Technology • Management Sciences • Science
